About Children's Choir

Children's Choir at Saint Joseph is beginning a new season and all are strongly encouraged to join from our community of Religious Education and our St. Joseph private school .The children's choir role is to serve as leaders of song to support the prayer and spiritual life of the parish community. The mixed choir of girls and boys have fun learning to pray in the joyfulness of "sung prayer" as they grow and learn about music and God. The choral repertoire includes music of many styles: traditional, jazz, spirituals, folk and contemporary.

Parents are integral to the success of the children's choir music ministry which relies on everyone's participation. Everyone's time and talent is needed to make children's choir a reality.

Parent involvement sets the example for children's choir members to know singing in thankfulness and praise to our Lord is a priority in life!

WE NEED YOU!!!!!!!!!!

We cannot do it without you!
